Girlbot Mask

Instructions

1. Cut out shapes ① ② ③.
2. On shape ①, cut out eyes and punch out holes in sides.
3. On shapes ② + ③, fold along dotted lines and glue tabs on back, below stringing holes.
4. Tie string between holes on sides to hold mask on face.

SUGGESTIONS

- print on cardstock for a sturdier mask
- add embellishments in marker or colored pencil
- apply glitter or shiny paint to ends of antennae
